

The Oldenburg Town Council met Friday, December 26, 2025 at 5:00 PM at the Municipal Building meeting room for a Special Meeting.

President Clagg called the meeting to order and a Second Reading of Ordinance 8-2025 was read, signed and approved. Kerker made a motion to approve, Wahman seconded. All in favor.

Attorney Kellerman stated in a town of less than 3,500 people, the only way to increase the Board is to submit that question to the voters. The way that process starts is for the existing town board to pass a resolution to do so, then asking the county clerk to put it on the ballot as a special question.

Motion to adjourn was made by Vice President Kerker. Seconded by Wahman.
