

The Oldenburg Town Council met January 2, 2023 at 7:00PM at the Town Hall. After being called to order by Pres. Dennis Moeller the minutes of the regular December meeting were read. Greg made a motion to accept minutes as read, Dave & Denny seconded.

Dave made a motion to keep appointments same as last year. Greg and Denny seconded.  
President – Dennis Moeller Vice – President – Gregory Struewing - Attorney – John Kellerman  
Marshal – William Dramann Deputy – Eric Moenter - Reserve Officer – Doug Wolfer & Dalton

Gary Munchel and Jeff Paul were interested in applying for a grant on the towns behalf from FFCF for upgrades for the park. Applications for 2023 Small Grant are due by January 9<sup>th</sup>.

Some ideas are:

Restoration of Gilbert J Munchel Park Sign – T-Ball Equipment Utility Shed – Two ADA Swing  
Safety Seat Restraints for ADA Swing – Parts for Swing Repairs – Park Access Gate.

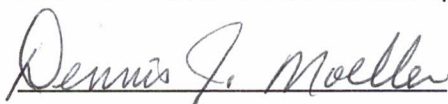

Park Gate – North road park access. Discussions were made about putting the gate on Pearl Street, which would detail concrete removal along with curb. After the Council discussed the option Denny and Dave would like to see it on the north park entrance, Greg wanted it on Pearl Street. If park gate is added it will go on North park entrance.

Steve updated the Council on the Cummins Grant. He thought it would have to be run thru a 501C. He is still checking on qualifications and will get back to the town.

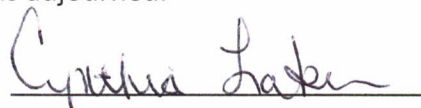

Dave reported that trees need to be cleaned up along St. Mary's Rd due to high winds breaking them off. Denny & Greg will take a look at this and cut them and clean them up.

Jeff also said there are DNR Grants. Possible walking track. Will look further into.

After the claims were read and approved, the meeting was adjourned.
